Description

The Ribbed Tunnel Net Bridge is a product that is a part of the Fun Trail units which have been designed primarily for younger children. Great for racing through!

The tunnel is plastic ribbed with a smooth liner and has slip-resistant bridge treads. Constructed from HDPE, it consists of a 600mm diameter drainage tube which has been professionally cut and joined using a clamping system.

FEATURES

- HDPE construction
- Plastic ribbed tunnel with smooth liner
- Stainless steel fasteners
- Steel ground anchors included
