Description

This educational play panel has the 1 to 10 times tables in a 100 square. This is a popular classic play panel that is simple and good value for money. It can be used as a teaching tool or just as a form of repetition that is essential to learning times tables. You can also customise this panel to the size, shape and colour that suits your school playground. All AMV Play Panels can be wall mounted or mounted onto posts fixed into the ground. Multiple panels can be installed side by side or back to back. Please ask for further details of the options available.
