Description

The Number Fun Play Panel has 9 flip discs with a range of sums and 3 flip discs with answers. This educational panel is great for use as a teaching tool or just to encourage children to learn independently while on the playground. The panel is made by HDPE and the discs are securely fastened and are virtually unbreakable. All AMV Play Panels can be wall mounted or mounted onto posts fixed into the ground. Multiple panels can be installed side by side or back to back. Please ask for further details of the options available.
