## Description

The Virtuoso Flat Chimes have eight aluminium flat chimes in a pentatonic scale, no wrong notes! The product is ASTM and EN compliant, comes complete with our custom extruded, heavy-duty aluminium t-slot posts. This inclusive design includes two soft feel rubber mallets and post holders. Virtuoso Musical Flat Chimes offers an alternative to the tube chime sounds and makes a great addition to any musical ensemble for groups of children to play music together. New softer feel rubber mallets/beaters tethered with a high strength stainless steel cables. NEW T-Slot Aluminium Posts Virtuoso Music Instruments can be supplied with or without our new T-Slot aluminium posts. Finished in Slate Grey, the posts are ASTM and EN compliant and are finished with a post cap at the top. These new posts allow for multiple configurations due to the t-slots being positioned at 45 degree intervals
