Description

Our Madera line consists of unique playground equipment made of stainless steel with a natural look.

In the Madera Climbing net, children can climb in the great spider web, made of rope, or balance on two side poles with a retaining rope. At the same time, the curved poles, with the special, strong light-brown coating, stimulate the imagination of children playing, because a curve like that could be anything. Play elements of Madera Climbing net: climbing net, two balance beams. The Madera Climbing net is standard equipped with climbing net and retaining ropes in the colour green.
