Description

Our Madera line consists of unique playground equipment made of stainless steel with a natural look.

Several children can climb and tumble at the same time on the Madera Climbing frame. At the same time, the curved poles, with the special, strong light-brown coating, stimulate the imagination of children playing, because a curve like that could be anything. Play elements of Madera Climbing frame: a ladder, climbing net, climbing and sliding pole, rotating climbing plates, tumble bar and climbing rope. The Madera Climbing frame is standard equipped with green ropes and green EPDM on the climbing plates.

BENEFITS

- Play equipment with a natural look for natural playgrounds.
- Transparent play equipment, keeping sight lines open.
- Ropes are available in the colours: reed, blue, green and black.
- EPDM rubber is available in multiple colours.
- TÜV certified.
