Description

Our Madera line consists of unique playground equipment made of stainless steel with a natural look.

On the Madera Mega combi equipment, children can play together and meet at the three climbing platforms. At the same time, the curved poles, with special, strong light-brown coating, stimulate the imagination of children playing, because a curve like that could be anything.

Playing elements of Madera Combi XL: large climbing net, two walk-on nets, three climbing platforms, jungle bridge, fire pole, tumble bar, rotating climbing plates and slide. The Madera Mega combi equipment is standard equipped with green ropes and green EPDM on the climbing plates.

BENEFITS

- Play equipment with a natural look for natural playgrounds.
- Transparent play equipment, keeping sight lines open.
- Ropes are available in the colours: reed, blue, green and black.
- EPDM rubber is available in multiple colours.
- TÄœV certified.
