Description

Our Madera line consists of unique playground equipment made of stainless steel with a natural look.

On this Madera Six-sided swing with regular seats, multiple children can have fun and swing at the same time. The curved poles, with the special, strong light-brown coating, stimulate the imagination of children playing, because a curve like that could be anything.

BENEFITS

- Configurable by expanding portals, choice of material and seats.
- Transparent play equipment, keeping sight lines open.
- TÜV certified.
