Description

Younger kids need age-appropriate playground equipment designed specifically for them. Our Bambino range supports the motor skills, cognitive development and social/emotional skills of children aged 6 years or under.

The Bambino Bow is a climbing frame with different heights. Children can also climb sideways to get to the other side. Play elements: climbing ropes in various heights and mesh in different sizes. In addition, the Bambino Bow is standard equipped with a low red climbing rope and a high blue climbing rope.

BENEFITS

- Children up to 6 years visibly develop their motor skills using Bambino playground equipment.
- Abstract shapes stimulate children's fantasy.
- Ropes are available in the colours: red, blue, green and black.
- Available in any standard RAL colour.
- TÜV certified.
