Play Values

This product supports the following areas of child development.

Balancing

Gross Motor Skills

Description

Younger kids need age-appropriate playground equipment designed specifically for them. Our Bambino range supports the motor skills, cognitive development and social/emotional skills of children aged 6 years or under.

The Bambino Swirl is for swinging and swaying, with a round plate as a seat. Thanks to the special turning mechanism, the chain will not wind up, allowing children to swing safely. The Bambino Swirl comes standard with red EPDM on the seat.

BENEFITS

- Children up to 6 years visibly develop their motor skills using Bambino playground equipment.
- Abstract shapes stimulate children's fantasy.
- EPDM rubber is available in multiple colours.
- Available in any standard RAL colour.
- TÜV certified.
