Description

Children need age-appropriate playground equipment designed specifically for them. Our play equipment supports the motor skills, cognitive development and social/emotional skills.

This Spinner carousel with large platform is divided into four compartments so that several children can turn and play at the same time. While spinning, they can hold onto the curved post in the center of the carousel or one of the archs. The shape of the Spinner Carrousel stimulates the imagination and creativity of children.

BENEFITS

- Stimulates movement and interaction.
- This playground equipment is also available as Click & Play equipment with click system.
- T&V certified.
