Description

The Backstop (13.25x3 m) with Goal combines a robust ball stop and a built-in goal, providing an all-in-one solution for sports fields, parks, and schoolyards. Made from durable stainless steel, this structure is designed to withstand heavy use and all weather conditions, ensuring long-lasting performance. The large backstop keeps the play area safe and organized, while the integrated goal encourages active play.

- Fully customizable.
- Low-noise thanks to sound-absorbing cables.
- Creates a meeting spot in the neighbourhood.
- Transparent structure, keeping sight lines open.
- Available in any standard RAL colour.
- TÅœV certified.
