

# Plank Walk

Product Code AMV-TT06

£1,316

Price stated is for product only. <br>Contact us for a delivery & installation quote based on your location.

## Dimensions:

Length 2500 mm  
Width 1000 mm  
Height 1450 mm

## Key Stage:

## Play Values

This product supports the following areas of child development.

Balancing

Stretching & Flexibility

Hand-eye Co-ordination

Gross Motor Skills

## Description

When children engage in physical activity, their senses are engaged, growing awareness and understanding. The trim-trails create an agility course that can be tailored to suit the age group, flooding the senses with a range of skills including balance, strength, climbing, stretching and co-ordination. They encourage inclusion and problem solving and are a good way to encourage exercise for those children who struggle to engage in team sports.
