

Shuttle Run

Product Code AMVF4-PM-113

£344

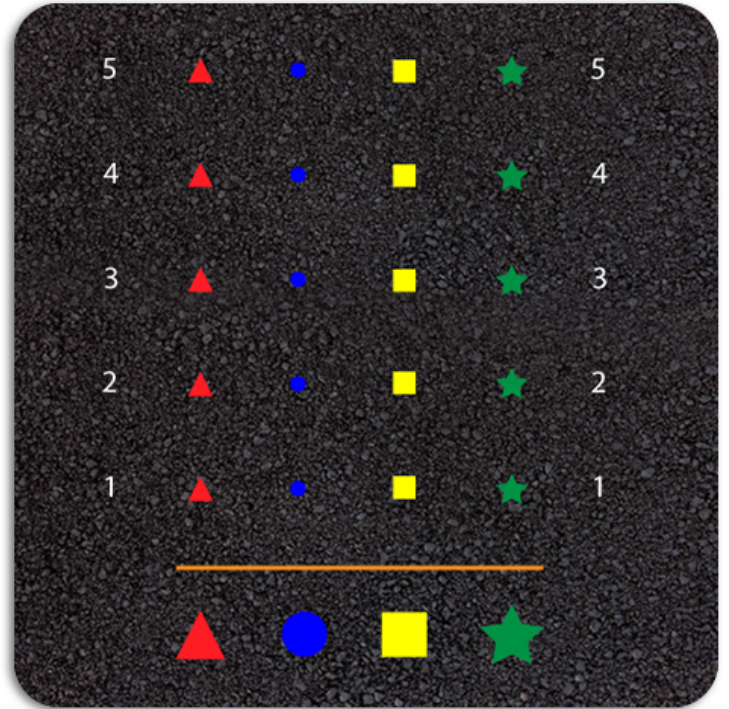

Price includes installation (Min. order value Â£1,000 plus VAT applies)

Dimensions:

Length 7000 mm

Width 5000 mm

Key Stage:

Play Values

This product supports the following areas of child development.

Gross Motor Skills

Competitive Play

Co-Operative Play

Description

Shuttle Run is a game where children are put into equal teams of 5 and line up on the large shapes behind the line. The first child runs to the number 1 shape and touches it before returning to the line. The next child then runs to the number 2 shape and returns to the line. This continues to the last child who has to run to the number 5 shape then sprints to the finish line. The team that gets all 5 children back first is the winner.
