Description

The Alphabet Snake Wall (12mm TC) educational play panel is a fun thing to do and interact with. This panel is great for KS1 children to learn the alphabet. It can be used as part of teaching tool or just as a form of repetition which is essential to learning. Wall Play Panels are designed for attaching to buildings and fences to brighten up dull areas, make use of unused areas of wall and to add some play value without the need for expensive structures for installation. There are 100's of graphic designs available to choose from, so if you want to create your own bespoke wall panels, with your own activity and in your own colours, all you need to do is contact the AMV team.
