Description

Terry the Tractor and the Activity Trailer Set have been designed for older children to play on. Terry the Tractor includes a crawl through tunnel, steering wheel, seating and has an optional electronic dashboard panel which plays back tractor and farm sounds, while the Activity Trailer includes 3 farm themed activity games, seating for many children and a couple of cute characters to get the fun started. These units are designed to be freestanding, but can also be secured to the ground with optional ground anchor lugs if required.
